Be a Swan Supporter --- a Season Subscription has these Benefits:

Seats – Sit at some of the best in the house. Season subscribers get first crack at the seats for these shows. If we schedule additional shows in the Alaska Center for the Performing Arts, we'll try to give season subscribers opportunities to purchase good seats. Returning subscribers keep their favorite seats.

Support – Feel good because you help sponsor great music in Alaska. Season ticket purchases allow our family business to create a year in advance of great shows for you.

Savings - For most shows, you save at least 10% over individual tickets. **Season ticket prices include municipal fees and other box office charges.** With the savings we offer, even if you purchase a ticket and for some reason can't make a show, you may still save money!
